February 2010

It's All About Love, Love, Love

February is often a month when we think about love maybe more than usual because of Valentines. This holiday is not so widely celebrated in the Czech Republic and is really only popular with the young people. During my English classes last week I took advantage of the opportunity to use love as a topic to practice English. After several classes I came home feeling discouraged and saddened because so many of the Czech people don't know the amazing love of our Lord and Savior and their idea or definition of love is shallow and somewhat meaningless. In one class I was asked how I could speak so positively

and confidently about love? My reply was because I know the real love of Christ and have experienced it in my life. That day my heart was broken once again and my burden grew for the Czech people to know the love God has for them. He loves them so much that He sent His Son to die for them and they don't even know it. I guess I got a small glimpse of what Christ's heart must have felt like as He lived and ministered among us here on earth. The Bible says, they will know us (Christians) by our love. Please pray for us as we reach out and share the love of Christ with the Czech people.

We know the love that God has for us, and we trust that love. God is love. Those who live in love live in God, and God lives in them.

We Give Him All the PRAISE!!!

We have so many things to praise our Lord and Creator for so this next little part of our newsletter won't cover them all but only highlight a few. First, we are happy to report that we have a car!!! This is an answer to prayer and a huge blessing. While it wasn't easy waiting and searching for three months for a car, we feel very blessed and happy with what God has pro-

vided...a 2006 dark gray VolksWagen Touran. We'd also like to thank God for His help and patience as we are trying to tackle the Czech language. Jason successfully completed a two week intensive course at the university. We both have a long way to go before reaching a level of proficiency but are thankful to know our God is carrying us through each step

of the way. Lastly, we have seen God's hand and His answer to several of our prayers in recent weeks. It is so comforting to know that our God cares and hears us when we speak to Him and that nothing is too big for our GOD!!! We praise Him for each one of you. You are a blessing and encouragement to us each and every day. We give Him praise for He is worthy!!!
